Dear Doug, John and Norman,

Thank you so much for choosing Farleigh Hospice as your charity partner for the Chelmsford CAMRA Beer Festival. We are absolutely delighted that the event raised an incredible £9,423.27. This phenomenal amount will make a real difference to people living with Motor Neurone Disease and their families by helping to fund our dedicated MND Co-ordinator, who provides specialist support, guidance and care.

Our staff and volunteers thoroughly enjoyed being part of the event and greatly appreciated the opportunity to work alongside the dedicated CAMRA volunteer team. Please extend our heartfelt thanks to everyone involved in organising and supporting the festival.

We are truly grateful for the hard work, enthusiasm and generosity shown by all those who helped make the festival such a tremendous success. Your support means so much to Farleigh Hospice, thank you for making a difference.

Yours sincerely,

Jacqui Shannon
Corporate Fundraiser
